

# "Hidden" Resources

## Tax Credits, Foundations, and Other Lesser-Known Means of Advancing Your Life Science Technology

Friday, Apr. 16 | 12 noon - 1:00 pm

### ABOUT

Are you aware that the Commonwealth of Pennsylvania, as well as some county and local governments, may have tax credit and funding programs available to you? Or that foundations often provide support for disease-specific or life sciences technology development? One of them just might be right for you!

Join us for a discussion about "hidden" resources available to researchers and early stage startups. Mike McCann, President and Founder of [MVM Associates, Inc.](#), a firm that advises clients about securing grants and tax credits, will serve as moderator.

Submit questions through our registration process or ask them live during the broadcast!
