

New Mexico SBIR/STTR Innovation Summit

Don't miss this event!

Join Arrowhead Center's NM FAST program as we host our sixth annual New Mexico SBIR/STTR Innovation Summit. Hear directly from program managers about SBIR/STTR program changes, engage with decision-makers in one-on-one sessions, and learn more about these non-dilutive funding opportunities for your innovation.

Wednesday, December 14, 2022
8:30 AM to 5:30 PM (MDT)

Virtual
Via Brella

The Innovation Summit will feature:

- Panels that will break down the SBIR/STTR process for first-time applicants, discuss innovation as a business practice, and illustrate the importance of teaming and partnering
- Rapid-fire pitches from federal agency program managers and representatives
- Presentation on the differences between grants and contracts and what they mean for businesses
- Private one-on-one sessions with program managers, key personnel, and other organizations, granting companies invaluable face-time with SBIR/STTR decision-makers to discuss their technology or innovation

This event is an initiative of the NM FAST program, which is funded in part by the U.S. SBA
